

Know Your Neighbor Coming Together in Community

Know Your Neighbor is hosting a community conversation, bringing people together to learn more about one another.

Hear stories from community members. Share your own story if you wish.
Reflect upon and discuss:

What is community? Why is community important and how do we build community?

We'll also have a time to take action, to start making a difference, right here, right now.

February 22, 2018, 6:30 to 8 pm.

Diamondhead Education Center
200 West Burnsville Parkway, 55337

Burnsville Eagan Savage
