Sioux Trail Elementary

Celebrate a half century of inspiration, growth and success.

October 2 & 4, 2014
www.isd191.org/siouxtrail
In the five decades since Sioux Trail Elementary opened, we’ve built strong traditions and ties to our community thanks to dedicated staff, involved parents and caring volunteers. We have always been dedicated to inspiring children to learn and grow into successful young men and women. In recent years, we’ve become known for our commitment to energy conservation and recycling/composting, with students leading the way. We couldn’t have done it without you, so we hope you will join us and other Sioux Trail Elementary community members in celebrating this milestone we’ve reached together.

Sioux Trail 50th Anniversary Planning Committee
