

# Rahn Elementary School of Arts & Technology

## About Rahn

Rahn Elementary opened as a School of Arts & Technology in 2011 and is focused on educating the whole child by developing strong relationships with students and families and providing engaging and interactive opportunities that bring learning to life. By integrating arts and technology throughout our curriculum, we enhance learning, foster creativity and promote independent thinking. Students who attend Rahn become critical thinkers, problem solvers and life-long learners in a global community.

### Where Dreams Begin

Our mission at Rahn Elementary School of Arts & Technology is to provide students with academic, social and creative experiences that will prepare them to be lifelong learners in an ever-changing global community.

### What Makes Us Unique

**The Arts** - Students are immersed in art through vocal and instrumental music, music theory and regular instruction. Opportunities include band, orchestra and theater, including an annual collaboration with Burnsville High School on a musical theater production.

**Technology & Media** - Students learn and demonstrate their knowledge through creative use of technology, including podcasting, video production,

and much more. Opportunities such as producing a live daily, student-produced television news broadcast and working with the Jr. Geek Squad introduce students to real-world applications of their new skills.

**More** - Students have leadership opportunities through Student Council & CARE Club, as well as enrichment activities including community service, coding and running clubs that provide extended learning for students in all grades. Rahn boasts an active & involved community that provides more than 6,000 volunteer hours each year.

### Visit Us

Parents are welcome to tour Rahn Elementary School of Arts & Technology any time. Please contact the school to schedule a visit or for more information.

### AIM H.I.G.H.

We know that students learn best when they feel safe and part of a supportive community. Through our AIM H.I.G.H. program, students learn to Honor self & others, Inquire & achieve, Grow as a community, and Hope & dream.

### About School District 191

Rahn Elementary is part of Burnsville-Eagan-Savage School District 191. Through schools that empower learning, energize achievement and embrace community, District 191's mission is to ensure each student is real-world ready.
