

Synergy ParentVUE provides parents with an opportunity to review their student's grades, assignments, and health emergency, and attendance information. ParentVUE is not intended to replace direct communication between students/parents/teachers or other school staff members, but rather an extra tool to help families stay informed about their student's progress. Access requires a confidential username and password to be set up.

ParentVUE assists parents in the monitoring of their child's educational progress by allowing parents to opt in for automatic notifications for the following:

- Attendance
- Progress Grades
- Health information
- Homework assignments
- Student schedules
- Lunch account information
- Emergency contacts
- Unofficial transcripts

### Create a ParentVUE Account

If you do not already have a ParentVUE account, you can create one by sending an email to [ParentVUE@isd191.org](mailto:ParentVUE@isd191.org) including the following information for your student(s):

- First Name and Last Name
- Grade Level
- Student ID Number
- Birthdate
- School Currently Attending

You will receive a confirmation email with directions for completing the set-up of your ParentVUE account.

**Mobile App:** ParentVUE offers a mobile app for both iPhone and Android devices
