

# Marion W. Savage Elementary School

## About Marion W. Savage

At Marion W. Savage Elementary School, we serve a diverse community of about 400 students in kindergarten through fifth grade. We are focused on creating a positive learning environment that encourages, enriches, and supports life-long learning opportunities for students, staff, and parents. We believe that meaningful partnerships between parents and staff members promotes a healthy school climate.

### Academics and Activities

We provide a variety of academic programs and unique student activities that support students as they become the best learners and citizens they can be.

#### 5th Grade Band

sons, as well as performance opportunities.

**Specialists** - Education is about more than just math and reading. All students have art, physical education, digital learning and music classes, too.

**Project KIDS** - Before and after school care option for school-age children.

### What Makes Us Unique

**Strong Community** - M.W. Savage Elementary enjoys tremendous support from parents and community volunteers, who contribute more than 7,000 hours to the school each year. And through a Community Service Club, students give back to their community in many ways.

**PACE Expectations** - We understand that students learn best when they are in a safe and supportive environment. Through our PACE (Pride, Academics, Citizenship, Effort) expectations, we ensure students understand the high expectations we have for them both in their studies and in their social interactions.

**Collaborative Approach** - We succeed as educators when we work together. That's why we are focused on creating structures that allow teachers to plan and work together to meet students' needs. Whether it's intense intervention or enrichment, classroom and specialist teachers develop and deliver instruction together to ensure students achieve.

**Technology & Digital Learning** - Technology plays such a crucial role in the lives of our students and in their education. We offer Digital Learning as a specialist class that all students take, ensuring they learn vital skills including digital citizenship and safety. We're also expanding our use of technology, including online reading resources and an online learning system for classwork.

**Band** - Students in fifth grade can explore instrumental music as part of the M.W. Savage band, receiving small group and full band lessons,

MWS Service Club

### Enrollment

400 students in grades K-5

### Mission Statement

The mission of Marion W. Savage Elementary School is to engage all learners by:

- Meeting individual needs
- Integrating technology into learning
- Providing hands-on learning

### Academic Excellence

In 2015, M.W. Savage was named a "Celebration School" by the state Department of Education for success in raising student achievement and narrowing the achievement gap.

### About School District 191

Marion W. Savage Elementary is part of Burnsville-Eagan-Savage School District 191, a vibrant community dedicated to ensuring each student is ready for success beyond high school.
